Internship Experience Letter

This is to certify that **Mr. Nishant Wankhade** has done a 50 days internship as an Engineering Trainee at **HIXAA TECHNOLOGIES PVT. LTD.**, Nagpur from **23rd May 2023 to 10th July 2023**.

He worked on Technology based on Machine Learning Computer Vision for **Intelligent Silo Bulker Parking System Project**. Nishant has been an invaluable asset to our organization. His exceptional dedication, technical proficiency, and problem-solving abilities were instrumental in the successful completion and deployment of the project.

During the internship he demonstrated good coding skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time.

We wish Nishant all the best for his future endeavours.

HR Team,
